SURVEY OF AGENCY ALCOHOL, DRUG, TOBACCO, AND RISK-ASSOCIATED BEHAVIOR PREVENTION AND TREATMENT PROGRAMS

This memorandum provides information on programs relating to prevention and treatment of alcohol, tobacco, and drug abuse and other kinds of risk-associated behavior which are operated by various state agencies.

In January 2014, state agencies were requested to provide information on their prevention and treatment programs for risk-associated behavior for the 2011-13 biennium and budgeted information on the 2013-15 biennium. The table below summarizes 2011-13 biennium actual funding and 2013-15 biennium programs and related funding budgeted for those programs.

| | | nnium Actual A | | | nnium Budge Source for Ea | | | | |
|---|-----------------|------------------------------------|----------------|-----------------|------------------------------------|----------------|--|---|---|
| Alcohol, Drug, Tobacco, and Other Risk-Associated Behavior Programs | General Fund | Federal and Special Funds | Total Funds | General Fund | Federal and Special Funds | Total Funds | Detail of 2013-15 Sources of Federal and Special Funds | 2013-15 Biennium Restrictions on Uses of Funds | 2013-15 Biennium Anticipated Uses of Funds |
| State Department of Health Statewide tobacco cessation for primary prevention, including city/county/state programs and the quitline/quitnet and tobacco surveillance | | \$3,219,209 | \$3,219,209 | | \$3,220,354 | \$3,220,354 | Community health trust fund | Funds support a statewide toll-free telephone and web-based tobacco cessation program, counseling, and other tobacco cessation programs, along with tobacco surveillance. | 100 percent of funds will support the statewide tobacco cessation efforts and tobacco surveillance. |
| Tobacco prevention and control for disease control and prevention | | 2,266,102 | 2,266,102 | | 2,323,897 | 2,323,897 | | Restricted to tobacco control, cannot be used for direct services or cessation services. | 100 percent for tobacco control. |
| Rape prevention and education | | 148,643 | 148,643 | | 180,000 | 180,000 | Federal CDC | The grant is restricted to sexual violence prevention and/or surveillance. | The funds are used for developing programs to address primary prevention of sexual violence at the local level. |
| Enhancing and Making Programs and Outcomes Work to End Rape (EMPOWER) | | 110,617 | 110,617 | | | | | | |
| State suicide prevention | \$940,189 | | 940,189 | \$1,004,672 | | 1,004,672 | | | Data collection on completed and attempted suicides of North Dakotans and development of local suicide prevention and awareness programs. |
| Title X family planning and Title V supplement | | 216,733 | 216,733 | | 228,666 | 228,666 | Federal CDC | Funds to be used for the provision of family planning, medical, laboratory, and counseling services. | All family planning clients provide a health history which includes tobacco, alcohol and drug use, along with other risky behaviors, such as unprotected sex, etc. Counseling and referral is provided as appropriate. |
| | | | | | | | | | The total identified represents the funding for risky behavior which is 10 percent of funds received. |
| Child passenger safety maternal and child health (MCH) - Child safety | 40,056 | 335,418 | 375,474 | 45,524 | 356,062 | 401,586 | Department of Transportation and federal Title V (maternal and child health block grant) | | Funding is used to purchase car seats, training, and projects designed to increase child restraint and seatbelt use by young children. |
| Comprehensive sexually transmitted disease prevention systems, human immunodeficiency virus (AIDS) prevention programs, and Hepatitis C prevention services | 130,461 | 1,994,185 | 2,124,646 | 138,750 | 2,045,304 | 2,184,054 | Federal CDC | chlamydia, and AIDS and Hepatitis C prevention | Funding is used for grant administration for sexually transmitted disease counseling and intervention. It is also used to support chlamydia and AIDS testing and Hepatitis C prevention in high-risk individuals. Funding is generally used for disease intervention. |
| Total - State Department of Health | \$1,110,706 | \$8,290,907 | \$9,401,613 | \$1,188,946 | \$8,354,283 | \$9,543,229 | | | |
