

## LEGISLATIVE DOCUMENT SUBSCRIPTION PROGRAM

This memorandum describes the subscription fees and the costs for printing legislative documents during the 2013 legislative session. **Except for the journal index, all of these documents are available on the legislative branch website in advance of printing.**

The memorandum also lists proposed fees for the 2015 legislative session. Past practice has been to base subscription fees on the cost of printing the various documents during the previous legislative session, divided by the number of documents printed. The number of subscribers that paid for the particular documents in 2013, total number of subscribers (some subscribers, e.g., state agencies and representatives of the media, are not charged subscription fees), 2013 subscription fees, and number and cost of legislative documents printed in 2013 are:

- Bills and resolutions - Twenty-five (out of 42) entities paid \$250 each to pick up a set of bills and resolutions, which included engrossed bills and resolutions, and no one paid \$475 to receive a set by mail. The cost of printing 165 copies of introduced and engrossed bills and resolutions was \$40,565.18, or approximately \$246 per set.
- Journals - Seven (out of 20) entities paid \$100 each to pick up a set of journals, and no one paid \$240 to receive a set by mail. The cost of printing 150 copies of the journals was \$16,933.20, or approximately \$113 per set.
- Journal index - Two (out of 6) entities paid \$35 each to receive the journal index. The cost of printing 170 copies of the journal index was approximately \$3,744, or approximately \$22 per index.
